### Admission Remarks

Find out what TCU and other selective universities are looking for when admitting students. An admission counselor will take you through the application process and answer any questions you may have, as well as discuss how you can improve your admission status.

### Connecting College and Your Career

Understand how planning for life after college begins the moment you enroll at TCU. The Center for Career & Professional Development provides training for the basic job search at no cost to students and alumni, including assessments, résumé building and interviewing skill development. Working with students to obtain internships and full-time employment is a priority at TCU.

### Figuring Out Your First Year

TCU has several programs designed to help incoming students make a smooth transition to college. Hear what students and the TCU First Year Experience staff have to say about Academic Orientation, Frog Camp, and the Leadership Center.

### Financial Aid

A representative from the Office of Student Financial Aid will discuss the financial aid process. Grants, educational loans, and TCU work-study programs will be discussed in easy-to-understand terms. From completing the FAFSA (Free Application for Federal Student Aid) and CSS Profile to important deadlines, this session will give you the information you can use when applying for need-based financial aid.

### Frogs Unplugged (Students Only)

Are you looking for a behind-the-scenes glimpse of college life? Hear what it's like to live and go to school at TCU from our top resident experts – students! This student-only session will help answer any questions you may have about life at TCU.

### John V. Roach Honors College

Hear from faculty or a student representative of the John V. Roach Honors College. This prestigious and highly selective college offers students unparalleled opportunities for intellectual and personal growth, highlighted by small, discussion-based classes. This session will focus on the Honors community, academics, and admission process.

### Parent Talk (Parents Only)

In this session, parents will have the opportunity to sit down with Heath Einstein, Dean of Admission, to discuss admission to TCU, current topics in college admission, or college life in general. This is an informal setting, so feel free to ask questions – or just get to know our dean.

### Spiritual Life on Campus

Understand more about the often-discussed “C in TCU” and what it means to be a church-related university that supports the religious and spiritual growth of students from all faith traditions. Learn more about the more than 20 faith communities on campus, about the importance of spiritual health and moral development during the college years as well as the programs and support provided by our chaplaincy team.

### The Transfer Option

Find out another way to be accepted to TCU—transfer admission! A transfer admission counselor will take you through the transfer process and answer any questions you may have, as well as discuss CORE credit courses, transfer scholarships, and the first-year transfer experience at TCU.
