## ACADEMICS

### COLLEGE OF EDUCATION

We prepare exemplary leaders for diverse educational settings. With two nationally recognized laboratory schools for children with special needs, an internationally recognized early childhood teacher education program and a nationally recognized middle/secondary program, we are leaders in and out of the classroom.

## CAMPUS LIFE

1. **MARY WRIGHT ADMISSION CENTER**  
The Office of Undergraduate Admission is your first stop to take a student-led tour and find application guidance. Stop by during office hours (Mon-Fri, 8 a.m.-5 p.m.) or connect with us via phone or email. We're here to help!

2. **THE HARRISON**  
From enrollment to graduation, you'll find essential student services here, including the Office of Scholarships and Financial Aid, the Center for Career & Professional Development and the Student Access & Accommodation office.

3. **UNIVERSITY RECREATION CENTER**  
Get active in our 200,000-square-foot Campus Rec! With indoor and outdoor pools, a climbing wall, weight room, fitness classes, intramural leagues and healthy offerings at Shake Smart, this is where Horned Frogs find balance and connection beyond the classroom.

4. **DANIEL-MEYER ATHLETIC COMPLEX**  
Many students choose TCU because of our spirited community. Our top-tier athletics rival those of universities several times our size. Grab a photo in the Amon G. Carter Stadium or in front of the Ed and Rae Schollmaier Arena.

5. **BROWN-LUPTON UNIVERSITY UNION**  
Known to Horned Frogs as the BLUU, this is the heart of student life—a central hub where students connect with friends over Starbucks or a meal and where many student organizations meet.

6. **CAMPUS COMMONS / FROG FOUNTAIN**  
Surrounded by residence halls and academic spaces, this area reflects the pride of the TCU community, hosting traditions like the annual Christmas Tree Lighting and daily student-led events. More than an iconic photo spot, Frog Fountain symbolizes the flow of knowledge and wisdom passed from one undergraduate class to the next.

7. **ROBERT CARR CHAPEL**  
As the campus' highest point, the steeple is a defining TCU landmark. The bell tower rings the alma mater, tolls the hour and overlooks a chapel that hosts hundreds of weddings, services, classes and events each year. While TCU has a historic relationship with the Christian Church, there is no chapel requirement, and more than 60 faith traditions are represented on campus.
